Dear Parents,

Laying of Stones Special Assembly September 26th

We would like to invite the parents and friends of children in Reception and children new to the school, to join us for the special assembly on Wednesday September 26th. We would like each child to bring a stone with their name and date of entry to All Saints' painted on it. This will be placed in the Peace Garden as part of this special time.

Working Party

I would like to sincerely thank everybody who gave up their time on Saturday to join in the working party. All your expertise, equipment and efforts have made a huge difference to the appearance of the school grounds. Many thanks.

A special thank you to the children who came along and helped and did such a good job!

If anybody has taken a spade with a yellow handle home by mistake it belongs to the Bennett family.

'Thank you' from the Brandsma Family

'Thank You' to all the staff, parents and children of All Saints for their kindness and friendliness and for making Oli and us as a family feel so welcome. We have met so many mums, dads and children in the few weeks since Oli started at All Saints who have made the effort to say hello and introduce themselves which has made the move so much easier for us and to Mrs Patterson and staff who have been so helpful and friendly.

Growing Gastronomers.

We have now made links with two schools, Salme Pohikool on Saaremaa, Estonia and Ecole

Publique in Vincent du Loruer, a small town 30 kms away from Le Mans.

Mr Woodage is back from Estonia!

I had a fascinating time last week when I visited Hiiumaa and Saaremaa. Our packed schedule took the international team (comprising British, French and Estonian nationals) to many different farms and schools as we explored the islanders attitudes to food and food culture. I met delegates from our partner school Ecole St Vincent and Salme Pohikool. WE enjoyed a time planning a collaborative programme of activities in which the children from each school will share their own experiences and attitudes through emails, letters, video conferencing and joint cooking experiences. We are all very excited by this opportunity.

To find out more, come to my open assembly on October 3rd, where I'll share my photos, videos and thoughts about our new partners in Estonia.

Mr Woodage

Waller will be beginning to develop links with Estonia, Dudley with France.

Growing Gastronauts will be the focus for our Super Learning Day this term.

In preparation for our linked project, the Farmers Market, we would appreciate you saving small jars e.g. mint sauce, mustards, Lloyd Grossman pasta jars (large baby food jars also welcome).
