Dear Parents,

## Class Requests

### Christmas Play Costumes

### Oak

Please bring in a poetry book with your favourite poem in it next week to share in literacy times.

### Tag Rugby Team

A group of year 4 children represented the school in the Tag Rugby festival. One rugby shirt has not yet been returned, could you please check at home.

## Mathletics

Mathletics is going down a storm. If you can't get on at home, please speak to your child's class teacher.

It is wonderful to see so many children collecting so many points. You may be aware that you can print off certificates when the children have collected a certain number of points. Whilst we do wish to recognise achievement, we do need to balance this against being overwhelmed by the number of certificates generated by Mathletics. We have therefore decided to only present Gold Certificates during Friday achievement assembly.

For those children who do not have access to Mathletics at home, we will be setting up an invitation-only Mathletics Club, each Tuesday lunchtime, in the ICT suite. If your child is unable to access Mathletics at home and you would like them to be invited to the club, please fill in and return the slip below.

## Countdown to Christmas

# THE 100 + CLUB

This is one of the regular PTFA fundraisers and approximately £700 is raised each year.

It is amazing to think how the yearly subscription of just £18 per number really goes a long way to benefit your children at school. Over £5500 has been used directly to benefit your children's learning environment. Funds from the 100+ Club have been used towards extending Key Stage One classrooms, building a new classroom for Key Stage Two Maths and Science, Improving the school grounds and play equipment, purchasing computers to update the ICT suite, buying new staging for the hall, to the most recent addition of an extension providing a separate room for after school activities, as well as laptops and notebooks for the children. And it will continue to do so - but we need **YOUR** ongoing support.

You can directly contribute to the ever-improving facilities and resources your child will enjoy by purchasing one or more numbers and becoming a member of the 100+ Club.

It's easy to join. A number is purchased for the year. Each month a draw is made during Achievement Assembly where three numbers are pulled out of a tin. If one of those numbers is your number, you are a winner!

The following prizes could be yours:

**1<sup>st</sup> Prize - £30**

**2<sup>nd</sup> Prize - £20**

**3<sup>rd</sup> Prize - £10**

## £100 Star Prize

Drawn at the Family Barbeque in July

If you would like to join the 100+ Club - membership is only £18 per number for the year. For ease we are trying to get as many people to pay by standing order as possible - If you are happy to pay this way then please complete the attached S/O form together with the form below and return to the school office marked for my attention and you'll be put into the next monthly draw.

Thank you for your support. Good Luck
