### **Raise Funds by Saving Your Old Pens**

#### **Half way to 5kg: Keep collecting.**

If we can collect 5kg of writing instruments, the school will be paid for each writing instrument. A box has been put outside the school office for your old pens etc, or see Lesley Knott at the KS2 gate. "Why not ask your colleagues to help? A box at my office collected 20 pens in under a week."

### **Site Health and Safety in bad weather**

In the event of heavy snowfall or icy mornings we endeavour to grit paths from the pedestrian gate to the front entrances and from the car park to the KS2 entrances.

Please be aware that it will not be possible to grit the playground, access roads to the car parks or the parent car park by the time children arrive at school. In the event of snow children should not use the playground when arriving at school. Please take extreme care when entering the school

### **Emergency Closures due to severe weather**

If it is necessary for a school to close. We will alert local radio stations and the LA of school closures. So, in times of severe weather you can obtain additional information by:

- Listening to your local radio station - they will have details on schools closure and when they are likely to reopen or
- Visiting the website  
<http://www.warwickshire.gov.uk/schoolclosures>

This will be continually updated with information as it is received from schools

We already have email contact details for many parents and are able to email directly newsletters, information about closures and other events. If we don't have yours

please contact Mrs Hancocks on  
admin3588@welearn365.com

Deciding whether to close is always very difficult. When we remain open I would urge you to make your own risk assessment of travelling conditions dependent on your own context, which is different for each family.

# THE 100 + CLUB

This is one of the regular PTFA fundraisers and approximately £700 is raised each year.

It is amazing to think how the yearly subscription of just £18 per number really goes a long way to benefit your children at school. Over £5500 has been used directly to benefit your children's learning environment. Funds from the 100+ Club have been used towards extending Key Stage One classrooms, building a new classroom for Key Stage Two Maths and Science, Improving the school grounds and play equipment, purchasing computers to update the ICT suite, buying new staging for the hall, to the most recent addition of an extension providing a separate room for after school activities, as well as laptops and notebooks for the children. And it will continue to do so - but we need **YOUR** ongoing support.

You can directly contribute to the ever-improving facilities and resources your child will enjoy by purchasing one or more numbers and becoming a member of the 100+ Club.

It's easy to join. A number is purchased for the year. Each month a draw is made during Achievement Assembly where three numbers are pulled out of a tin. If one of those numbers is your number, you are a winner!

The following prizes could be yours:

**1<sup>st</sup> Prize - £30**

**2<sup>nd</sup> Prize - £20**

**3<sup>rd</sup> Prize - £10**

## £100 Star Prize

Drawn at the Family Barbeque in July

If you would like to join the 100+ Club - membership is only £18 per number for the year. For ease we are trying to get as many people to pay by standing order as possible - If you are happy to pay this way then please complete the attached S/O form together with the form below and return to the school office marked for my attention and you'll be put into the next monthly draw.

Thank you for your support. Good Luck
