Dear Parents

Half Term Holiday

Enjoy your week off school. We look forward to seeing you again on Monday 25th February.

Parents Evening

Parents Consultation evenings will take place on Tuesday 26th February and Thursday 28th February. Appointments have gone out this week, please check bags.

Parent Evaluation

Our annual Parent Evaluation form was sent by email to parents this week. We appreciate your feedback as a way of trying to continue to improve the education we provide and all aspects of our additional provision. Your views are carefully considered by governors and staff and inform day to day running of the school as well as new initiatives and developments. Please return your form to us as soon as possible. Paper copies are available, if you would like one contact the office.

Class News

Oak

Please make sure all children have an apron in school after the holiday.

Bring in a fairly large teddy which they are happy to leave in the class a while and a small favourite toy as well.

Also, need more junk modelling materials saving over the holiday, including old birthday/anniversary cards.

Year 1

Kirstie Evans, a student at The University of Warwick, is carrying out some research as part of her degree in Early Childhood Studies. This involves comparing school readiness in England and Sweden. To support this work I am distributing her covering letter and questionnaire to all parents with children in Year 1.

Please return these by Wednesday 27th February when Kirsty will be in school. Many thanks for your support.

Year 4 Dudley and Year 6

In order to finalise team selections for the swimming gala on 14th March, we are taking Year 4 children and Year 6 children swimming on 26th February. A letter has gone

out this week. All of Dudley begin swimming on 5th March and this will continue for the rest of the year.

School Lunches

Following the media headlines during January and again this week, County Caterers would like to assure parents regarding the meat used in our school menus.

The minced beef is supplied by Lower Hurst Organic Farm in Derbyshire and certification confirms the UK origin of all the beef used, the organic status of individual livestock and the production process.

The sliced beef is Scottish and the meatball are British; both products are farm assured with full red tractor traceability and supplied by The UK Foodhall, based in Shrewsbury.

France Residential Monday 4th March

The Year 5 & 6 residential visit to France is always a highlight of our Personal and Social Development curriculum and our residential programme. In order to retain the popular June date, and a discounted price, I have needed to book June 2014 two years in advance. Whilst I appreciate this appears a long way away I would like to invite parents of children in Years 4 and 5 to join us to learn more about the super combination of activities planned for our visit to Normandy.

Adults and children, please come along at 7.00 on Monday 4th March.

All Saints' Extra

We played a very successful match against All Saints Warwick. In the first quarter Millie and Zach scored 5 goals; making the score 5-0 to us. In the second quarter, Alex and Hannah scored 3 goals changing the score to 8-0 to us! In the third quarter, Felix and Charlotte scored 1 goal increasing the score to 9-0. Finally, in the last quarter of the game, Zach and Susie managed to score 3 goals, leaving the final score at 12-0 to us! The Warwick team were upset about their defeat, but we were good sports throughout the game.

THE 100 + CLUB

This is one of the regular PTFA fundraisers and approximately £700 is raised each year.

It is amazing to think how the yearly subscription of just £18 per number really goes a long way to benefit your children at school. Over £5500 has been used directly to benefit your children's learning environment. Funds from the 100+ Club have been used towards extending Key Stage One classrooms, building a new classroom for Key Stage Two Maths and Science, Improving the school grounds and play equipment, purchasing computers to update the ICT suite, buying new staging for the hall, to the most recent addition of an extension providing a separate room for after school activities, as well as laptops and notebooks for the children. And it will continue to do so - but we need **YOUR** ongoing support.

You can directly contribute to the ever-improving facilities and resources your child will enjoy by purchasing one or more numbers and becoming a member of the 100+ Club.

It's easy to join. A number is purchased for the year. Each month a draw is made during Achievement Assembly where three numbers are pulled out of a tin. If one of those numbers is your number, you are a winner!

The following prizes could be yours:

1st Prize - £30

2nd Prize - £20

3rd Prize - £10

£100 Star Prize

Drawn at the Family Barbeque in July

If you would like to join the 100+ Club - membership is only £18 per number for the year. For ease we are trying to get as many people to pay by standing order as possible - If you are happy to pay this way then please complete the attached S/O form together with the form below and return to the school office marked for my attention and you'll be put into the next monthly draw.

Thank you for your support. Good Luck
