Dear Parents

Parent Evaluation

Our annual Parent Evaluation form was sent by email to parents last week. We appreciate your feedback as a way of trying to continue to improve the education we provide and all aspects of our additional provision. Your views are carefully considered by governors and staff and inform day to day running of the school as well as new initiatives and developments. I am sending out a paper copy with your child tonight and would urge you to return this to us as soon as possible.

Staffing : Appointment of Caretaker

The governors are seeking to appoint a caretaker to work 20 hours per week, and a cleaner to work 7 1/2 hours per week. Further details and application packs are available from the office.

Safeguarding Children

To ensure the safety of all our children we would like to remind you that if you are running late the children will come round to the office area to wait for you. We are not able to allow other parents to take your child home without your permission phoned into school.

The Year 5 & 6 residential visit to France is always a highlight of our Personal and Social Development curriculum and our residential programme. In order to retain the popular June date, and a discounted price, I have needed to book June 2014 two years in advance. Whilst I appreciate this appears a long way away I would like to invite parents of children in Years 4 and 5 to join us to learn more about the super combination of activities planned for our visit to Normandy.

THE 100 + CLUB

This is one of the regular PTFA fundraisers and approximately £700 is raised each year.

It is amazing to think how the yearly subscription of just £18 per number really goes a long way to benefit your children at school. Over £5500 has been used directly to benefit your children's learning environment. Funds from the 100+ Club have been used towards extending Key Stage One classrooms, building a new classroom for Key Stage Two Maths and Science, Improving the school grounds and play equipment, purchasing computers to update the ICT suite, buying new staging for the hall, to the most recent addition of an extension providing a separate room for after school activities, as well as laptops and notebooks for the children. And it will continue to do so - but we need **YOUR** ongoing support.

You can directly contribute to the ever-improving facilities and resources your child will enjoy by purchasing one or more numbers and becoming a member of the 100+ Club.

It's easy to join. A number is purchased for the year. Each month a draw is made during Achievement Assembly where three numbers are pulled out of a tin. If one of those numbers is your number, you are a winner!

The following prizes could be yours:

1st Prize - £30

2nd Prize - £20

3rd Prize - £10

£100 Star Prize

Drawn at the Family Barbeque in July

If you would like to join the 100+ Club - membership is only £18 per number for the year. For ease we are trying to get as many people to pay by standing order as possible - If you are happy to pay this way then please complete the attached S/O form together with the form below and return to the school office marked for my attention and you'll be put into the next monthly draw.

Thank you for your support. Good Luck
