Dear Parent

EASTER ASSEMBLY

Thank you to everybody in Years 3 and 4 who worked so hard to create a very special Easter Assembly this week, you were all fantastic.

Au Revoir

The Thomas family are off to Australia next week. We wish them well and hope that Cameron and Gigi will enjoy their new school in Australia as much as we have enjoyed having them at All Saints'.

As part of the seaside topic, if anybody is going to the seaside in the holidays, we would appreciate a few shells or a postcard brought back.

Ryton Pools

Years 1 and 2 are going to Ryton Pools on Thursday 25th April as part of their topic on plants. If there are any parents willing to help on this trip, please contact Mrs Turner. Letters will go out after the holiday.

Reading over the holiday

Over the Easter holidays the children will be asked to read a book, fiction, non-fiction or poem, with the sea as a theme.

They can include a photo of themselves reading or illustrations from the story. It will be used for display so we would like recording to be 'best'. Many thanks.

I am delighted to inform you that the 2014 trip to France is now booked with Wyvern travel. 36 pupils are travelling so the price remains as given.

Sports Events

Swimming Gala

An exciting afternoon was had by all as our team, comprising boys and girls from years 4 - 6, competed against the best swimmers from schools in Kenilworth.

An anxious wait took place as very careful calculations were needed to confirm the final result: ALL SAINTS' are KENILWORTH CHAMPIONS!
Well done to you all.

I would like to record a sincere record of my appreciation to Mrs Jo Perkins who has assisted in swimming tuition for many years as her 3 children have progressed through the school. Even when her own children were not swimming she has loyally accompanied, and taught, all of the groups of children. Her expertise has contributed to our swimming success over many years. We have won the gala 4 years in a row. Now as Susie reaches her final term in Year 6, Jo is hanging up goggles and stopwatch. A huge thank you from us all.

Cross Country

Well done to Millie Lomas who ran through difficult and wet conditions to come in 32nd as she represented Central Area in the county race last Saturday.

Netball

Kenilworth Champions!!!

Well done to all of our Year 6 players who completed splendidly in a magnificent afternoon of fast and furious netball. We returned home to Leek Wootton with the trophy as worthy champions.

Central Area Championships

As the winners of the Kenilworth tournament, All Saints will be representing our cluster in a central area based tournament at Campion School on 16th April. We will play against the winners of Leamington, Warwick and Southam.

Year 5 Tournament

We will be taking part in the Year 5 netball tournament at Clinton on Wednesday 10th April.

Raise Funds by Saving Your Old Pens

Half way to 5kg: Keep collecting.

If we can collect 5kg of writing instruments, the school will be paid for each writing instrument. A box has been put outside the school office for your old pens etc or see Lesley Knott at the KS2 gate. "Why not ask your colleagues to help? A box at my office collected 20 pens in under a week."

We are very excited to announce our Spring Term Farmers market, on Wednesday 22nd May 2013, from 3.15pm onwards. To follow on with the apple theme of Growing Gastronomists, we will be producing an Apple Recipe Book to be sold at the market. In order for this to be successful, we are asking all parents, children, grandparents and friends to send in their favourite apple recipe which Tracey Mafe will collate and produce to be sold at the market. Please email your recipes to atlamafe@sky.com. Thank you.

THE 100 + CLUB

This is one of the regular PTFA fundraisers and approximately £700 is raised each year.

It is amazing to think how the yearly subscription of just £18 per number really goes a long way to benefit your children at school. Over £5500 has been used directly to benefit your children's learning environment. Funds from the 100+ Club have been used towards extending Key Stage One classrooms, building a new classroom for Key Stage Two Maths and Science, Improving the school grounds and play equipment, purchasing computers to update the ICT suite, buying new staging for the hall, to the most recent addition of an extension providing a separate room for after school activities, as well as laptops and notebooks for the children. And it will continue to do so - but we need **YOUR** ongoing support.

You can directly contribute to the ever-improving facilities and resources your child will enjoy by purchasing one or more numbers and becoming a member of the 100+ Club.

It's easy to join. A number is purchased for the year. Each month a draw is made during Achievement Assembly where three numbers are pulled out of a tin. If one of those numbers is your number, you are a winner!

The following prizes could be yours:

1st Prize - £30

2nd Prize - £20

3rd Prize - £10

£100 Star Prize

Drawn at the Family Barbeque in July

If you would like to join the 100+ Club - membership is only £18 per number for the year. For ease we are trying to get as many people to pay by standing order as possible - If you are happy to pay this way then please complete the attached S/O form together with the form below and return to the school office marked for my attention and you'll be put into the next monthly draw.

Thank you for your support. Good Luck
