Dear Parents

As we come to the last day of term I would like to thank you all for the support you have given over the past year, to your own children, groups of children and the whole school. Once again we have enjoyed a super year with children working hard and achieving well. We do appreciate the many and varied ways in which parents, governors and friends of the school help us throughout the year. The progress children have made is a tribute to the partnership of good teaching and home support.

As we say goodbye to Year 6 we wish them well as they move on to many different secondary schools in the area. We also say goodbye to a number of families that have a longstanding relationship with the school - the Evans family, the Fardoe family, the Forster family, the Haggard-Dunsby family, the Henry family, the Perkins family, the Sunang-Joret family and the Thomson family. I thank you for your support and friendship over the years. We hope that we continue to see you around school and at some events - you will always be most welcome.

We would like to thank you for all of your kind wishes received today and would especially like to thank the parents of Year 6 pupils for the gazebo which we received this week and were able to use on Sports Day.

We also say goodbye to a member of the governing body who has served the school in this role over the last 12 years, for part of it as the Vice-Chair of the Governing Body. I would like to say a big thank you to Mr Alex Hughes who has used his expertise in education for the benefit of our children.

Today we also say goodbye to a longstanding and much loved member of our teaching team.

Mrs Eldridge started as a part time teacher on a short, fixed-term contract at All Saints' Primary School in November 1996, just as the new school opened. Through many twists and turns that short contract is now 17 years old. Mrs Eldridge soon became a full time teacher and over the years has played an important role in the development of our school through her roles as a class teacher in both Key Stage 1 and Key Stage 2, as Literacy leader and as our passionate developer of all things creative, music and art particularly. For a time Mrs Eldridge also held the senior management position of Assistant Head.

During these years Mrs Eldridge has grown and blossomed as a highly respected professional who is able to inspire and ignite the passion for learning in younger and more senior members of our school. As well as establishing lovely relationships with children throughout the school, and their parents, the way in which she has enabled every child in the school to perform musically has been appreciated by many parents and families over the years. As she moves on to spend time achieving her Masters degree, we will cherish the times, with great affection, that we have been able to work together and wish her every happiness and success.

I wish you all a very happy holiday and look forward to seeing pupils in school again on TUESDAY 3rd SEPTEMBER at 8.55.

The Final Challenge

We all enjoyed a super night out with Year 6. However they returned home disappointed as, despite bowling well, the final score was:

Staff (5) - (3) Year 6

PTFA Family Barbecue

As a result of our very enjoyable evening we made £1936 at the BBQ! A very special well done to the organisers of the children's stalls. £290 was raised. Thank you for your support.

All Saints' School needs a new parent governor!

In September we shall be holding elections for a parent governor.

The role of governor is varied, exciting and while it can be challenging at times, the outcome we all strive for is to ensure that the education and well being of our children is our priority and only focus. We are really lucky to have a wide range of skills on our team already but a proactive approach, enthusiasm and a willingness to commit time and energy are as equally important.

I would appreciate it if you could give the opportunity some thought over the holidays as the elections will take place in September.

If you should like to know more about the role please do not hesitate to contact me via email or by phone or Mrs Patterson via school. Many thanks
