Dear Parents

CHILDRENS' SOCIETY BOX OPENING MRS P's POT OF GOLD

Thank you to everybody who joined us for our annual box opening event. As a result of your generosity at the Christmas performances we were able to send off a donation of £500. A big thank you to children who brought in boxes for their home collections and candles from the Christingle. All of these donations will make a difference to the life of a vulnerable child or young person.

We looked at ways in which the Childrens' Society had used a pot of gold to inspire groups to come up with projects to work in different ways with youngsters from the age of birth to 18. This pot of gold has inspired me to launch our own version.

Mrs P's Pot of Gold! Helping you to make a difference!

There is £50 in the pot. I am inviting individuals or groups of children to come up with an idea where they could use £50 to make a difference to the life of individuals, groups or our whole school. I would like to know their idea, how they are going to carry their idea out, how they would spend the £50 and what impact their idea would have on children in our school. I will then choose what I think is the most effective idea with the help of School Council. Applications are available from me. I have already received a number of good ideas. Thank you.

The Way Ahead

Thank you to parents who came along to our consultation meeting this week. I hope that the opportunity to hear the background context to the consultation paper distributed was useful. The questions asked and discussed were very useful and I would urge you to come along and talk to Kimberley Lunn, our Chair of the Governing Body or myself if you have questions. We are more than happy to answer them. Kimberley can be contacted on admin3588@welearn365.com, my email is head3588@welearn365.com, or pop in to see me.

We shared many benefits that have been possible as a result of our collaboration this far. This includes increasing staffing in several ways: the appointment of a full time teacher in Key Stage 2, the appointment of a part-time teacher able to release Mr Woodage and give all teachers subject leader time on a regular basis, an increase in Teaching Assistant hours in both Key Stage 1 and Key Stage 2 and an increase in office hours.

Mrs Hancocks is now available in the office until 3.15 to make it more convenient for parents and to deal with any queries and administrative matters.

Mathletics- GO FOR GOLD!

From last week we are starting a new initiative to promote Mathletics. We know that many children are achieving bronze, silver and gold certificates. In order to recognise their achievements, we are starting a 'Medals Board' in the hall. When a child achieves a particular certificate, they can tell their teacher who will move them up the board into the corresponding medal position.

If your child is having difficulty accessing Mathletics at home, please speak to his/ her class teacher.

Sport

Cross Country Harbury Relay 8th February

This event has now been moved to Newbold Comyn because of the wet weather causing flooding in Harbury. We are meeting at 10.30 as the race start is slightly later. I have needed to be selective in the girls team as we have to run in groups of 4. Thank you to everybody who was willing to run, we will all be able to take part in the KDPSA race later in the term.

Letters have gone out. My contact details are on the letter if there is a difficulty on Saturday.

Netball

I'm afraid the weather has once again taken it's toll this week as we have been unable to play our planned netball activities. We will rearrange these when the weather improved. Both the Year 5 and the Year 6 tournaments have been postponed until later in March,
