Dear Parents

## Mrs P's Pot of Gold! Helping you to make a difference!

There is £50 in the pot. Thank you to everybody who has sent in their ideas, they are super and I will spend some time over the half term holiday looking at them carefully before sharing them with School Council when we return.

### Red and Green Dinners

I hope that you have all received information this week about the changes we are making to the organisation of school dinners. The children will be able to select the dinner they wish to have when they come into school. Their class teacher has the system shared with them. They will then be given a red or a green band that corresponds to their choice and that dinner will be ordered for them.

This means that irrespective of where they are on the rota they will receive their chosen lunch.

Menus are published in the classroom and the hall throughout the week.

This system also means that the children are served more quickly.

Please send your dinner money into school in the usual way. We would appreciate it if you would pay half termly and all dinners should be paid for in at least weekly blocks not daily please. This helps us to handle the administrative aspect more efficiently.

Dinners for the next half term are £75.25, if you wish to pay half termly.

### Free School Meals

Free School Meals are available to children whose parents are in receipt of an appropriate benefit. Eligible children receive a nutritious meal every lunchtime with different options available each day. Children receiving Free School Meals can choose from exactly the same food as those children purchasing a lunch.

Applying for Free School Meals has never been easier. Parents can either call 01926 742060 or visit [www.warwickshire.gov.uk/freeschoolmeals](http://www.warwickshire.gov.uk/freeschoolmeals) and receive an instant decision regarding eligibility. Any information you provide will be treated in absolute confidence. If you receive any of the following benefits then your child may be eligible for Free School Meals:

- Income Support or Income-Based Job Seekers Allowance (but not Contribution Based Job Seeker's Allowance).
- The Guarantee Element of State Pension Credit.
- Child Tax Credit where the family's annual income as assessed by HMRC is not in excess of £16,190. Please note that families who are also entitled to Working Tax Credit do not qualify for Free School Meals.
- Support under Part VI of the Immigration and Asylum Act 1999.
- Income Related Employment and Support Allowance (but not Contribution-Based Employment and Support Allowance).

Many parents do not apply for Free School Meals because they do not realise they qualify. Other parents do not apply because they prefer to make alternative arrangements for their child's lunch. Schools can still benefit though if a child is eligible for Free School Meals, even if they do not take up their entitlement. Every child entitled to Free School Meals means an extra funding for the school which we can use to address inequality.

If your child does not currently receive Free School Meals but you think that you might qualify then please do apply using one of the methods shown above. In this case, there really is such a thing as a free lunch!

### Parent Consultation Evenings

Our consultation evenings for this term are on Tuesday 25<sup>th</sup> February and Thursday 27<sup>th</sup> February. Information and slips have gone out this week. Please check bags.

### **Mathletics- GO FOR GOLD!**

From February, we have started a new initiative to promote Mathletics. We know that many children are achieving bronze, silver and gold certificates. In order to recognise their achievements, we are starting a 'Medals Board' in the hall. When a child achieves a particular certificate, they can tell their teacher who will move them up the board into the corresponding medal position. Well done to all of the children who have already moved up the board!

If your child is having difficulty accessing Mathletics at home, please speak to his/ her class teacher.

#### **Weather hits Sport!**

I am sorry that we have had to cancel or change so many of our sporting opportunities this half term. However it looks as if the KDPSA Race planned for 26<sup>th</sup> February will not take place,

#### **Internet/ E- Safety Parents' Workshop**

We are committed to helping our children stay safe online. With constantly changing technologies, we feel it is really important to keep abreast of the changes so
