Dear Parents

## **We have returned!**

Following a much better journey than the England score, we returned safely last night from our residential visit to France. We have had a lovely time and learned lots about the theme 'Invaders and Liberators'. I'm sure that everybody has come back with a different favourite experience from our visit to the Bayeux tapestry to standing on Pegasus Bridge. We have combined developing our knowledge and understanding with showing our respect, and learning from the past in order to improve the future. It was good to be able to visit during this special 70<sup>th</sup> Anniversary Year.

There have been many times when I have felt really proud to have been the leader of such a fantastic group of children as they have shown empathy, developed friendships and behaved really well. Well done everybody. Thank you to staff who have willingly left their families for a week to shoulder the extra responsibilities of making this trip possible.

We will be presenting our 'France Certificates' on 27<sup>th</sup> June.

I would also like to thank Mr Woodage and the All Saints' team who took on additional responsibilities whilst we were away.

## **Induction Day**

### **9.20 Open Assembly and Coffee and Chat.**

Next Wednesday 25<sup>th</sup> June, most Year 6 children will be spending the day at their secondary school. Children throughout the school will spend the morning in the class they will be in, in September.

I am sending out letters today to inform parents of children in Reception and Year 3 of the classes their children will be in, in September. Please check bags.

We are inviting the parents of children who join us in September to join us for assembly followed by 'Coffee and Chat'. It would be lovely to see some existing parents at the assembly and for coffee afterwards.

## **The Hub Goes Interactive**

We have upgraded our ICT systems in Ash Class and The Hub this week. Ash have a lovely new interactive whiteboard and we have installed a projector and visualiser in The Hub to enable effective ICT support for the curriculum, including Science.

## **Ash Class**

Thank you to Ash Class who shared with us their wonderful understanding of our amazing world through their lovely assembly today. There were lots of smiles as they showed us their dance, art, science and so much more. Thank you to the children, Mrs Greyson, Mrs Rose and the Ash Class team.
