Dear Parents

As we come to the last day of term I would like to thank you all for the support you have given over the past year, to your own children, groups of children and the whole school. Once again we have enjoyed a super year with children working hard and achieving well. We do appreciate the many and varied ways in which parents, governors and friends of the school help us throughout the year. The progress children have made is a tribute to the partnership of good teaching and home support.

As we say goodbye to Year 6 we wish them well as they move on to many different secondary schools in the area. We also say goodbye to a number of families that have a longstanding relationship with the school - the Booth family, the Brown family, the Clarke family, the Cox family, the Dumper family, the Garlick family, the Hodgson family, the Keen family, the Porter family, the Prue family and the Sultani family. WE also say goodbye to the Waters and the Ghobara families. I thank you for your support and friendship over the years. We hope that we continue to see you around school and at some events - you will always be most welcome.

We would like to thank you for all of your kind wishes received today.

Today marks the last day of All Saints' as a school that operates alone. From September we will be All Saints' Primary School working together in partnership with Burton Green Primary School. Our collective umbrella name will be The Green Leek Federation. The vast majority of things will stay exactly the same as it is now. However the current governing body will cease to exist from September 1st and a newly formed federation governing body will take its place. I would like to thank our governing body for the wonderful way in which they have cherished our school since it became a primary school in 1996. Their dedication has enable us to build a strong foundation together on which we will continue to build as we move forward.

Today we also say goodbye to Alison Zuill who has served as the clerk to the governing body over many years. Alison also leaves her post as a midday supervisory assistant and I would like to thank her for the care she has provided at lunchtimes.

I wish you all a very happy holiday and look forward to seeing pupils in school again on TUESDAY 2nd SEPTEMBER at 8.55.

The Final Challenge

We all enjoyed a super night out with Year 6. However they returned home disappointed as, despite bowling well, the final score was:

Staff (11) - (5) Year 6

Holiday Learning- something to keep you busy.

Extreme Reading Challenge

Choose a good book.

Read it in an extreme place- see if you can find somewhere unusual.

Bring in a photo of you and your book in the extreme place.

Curious Numbers?

Find unusual numbers in unusual places.

Take a photo and bring it in to share.

Using ICT to Support Home learning

Don't forget your Mathletics and Spellodrome!

Request from Mrs Greyson

If you are travelling to a country that speaks a language other than English, please collect a menu or advertisement in that language, to use in our first language classes in the autumn. Postcards from these countries would also be very welcome! Many thanks.

Free School Meals

From September 2014 all children in Reception, Year 1 and Year 2 will be provided with a Free School Meal, although parents will still be able to send in a packed lunch if they wish to.

Since pupil premium funding will continue to be based on eligibility for Free School Meals, I would urge all parents to register for Free School Meals. This can be done via

<http://www.warwickshire.gov.uk/freeschoolmeals>.

which should be up and running soon.

Until then please use the current system but ensure you re register if it particularly affects you.

Children in Key Stage 2 will continue to pay for their meals. The cost of meals from September will be £2.15 per day.

Pupil Premium is an important aspect of school funding and impacts on the provision we are able to make in school for all children.
