

Welcome back to our last, but busy, final half term. This week has begun with a lot of excitement. Each class has enjoyed an additional experience either on a visit or here in school. Our Green Leek friendships have blossomed through visits to the Gurdwara, our Year 5/6 team building day and finally today's 'African Stomp Music Day'. Many children in Dudley and Waller have reported back how much they enjoyed their visit to the Black Country Museum.

With so much going on communication is key. It is also an aspect of school life that we are continually reviewing especially with changes in school organisation and staffing. Different ways of communicating with you serve different purposes, but together we hope, keep you fully informed.

The most effective means of communication that we have is 'face to face'. We do have an 'open door' policy so please do contact us whenever you need to. Mrs Duxbury and I are available throughout the week. When I am not in school please email head3588@welearn365.com and I will always get back to you.

The newsletter goes out every Friday, always by email, sometimes also with a paper copy. This gives detail about every planned event. It tries to give warning for events coming up. Please check weekly and ensure that we have your email address.

The PTFA Facebook page is already proving very popular. It is a secure, interactive, social networking site only available to parents with children at All Saints'. It is administered by the PTFA to facilitate and improve communication amongst parents. Already 59 people have signed up. Don't delay, email Sophie Parker sophie.parker77@yahoo.co.uk and receive friendly reminders of events coming up or events you might have forgotten. Ask questions, share knowledge. Help us continue to develop a really vibrant PTFA.

Text2Parents is our most recent communication system. It sends a text to the first mobile contact number you give us. Its purpose is to alert you in a whole school, group or individual emergency (If we can't contact you by phone). It will be useful for communication on school trips and if we need to close the school for any reason.

Sometimes it may be used as a reminder particularly for events directly after holidays or when we need a speedy response. If you get a text it is something we do need you to respond to. Please ensure we have your mobile phone number.

Next Week's School Organisation

Mrs Patterson, Mrs Duxbury, Mrs Reddish and Mrs Kingston are taking years 5 & 6 to Kingswood and will therefore be unavailable next week in school. There will therefore be no Cricket on Monday, Photography on Tuesday, Cross Stitch Club on Thursday evening or Imagineering on Friday. Please see Mrs Garlick if you need an alternative. Mrs Batts will be the senior teacher in school next week and will be available to help you if required. I can be contacted through Mrs Batts if needed.

Final Reminder Years 5 & 6

School will be open from **9.15** on Sunday morning for a prompt departure at **9.45 AM**.

Class Highlights of the Week:

Oak Class

This week in Oak Class we enjoyed the special experience of visiting the Gurdwara in Leamington. We joined Burton Green children. The best part of the trip was seeing the bedroom where the holy book goes to bed at night, and snacking in the 'free' kitchen.

Come and enjoy the bedding flowers we planted this week in our outdoor classroom.

Ash Class

We've been writing our own fairy tales in Ash Class this week, imagining new characters and problems for them to encounter.

Rehearsals have begun for our class assembly and the children have been very excited to write their own play script.

Dudley Class

On Monday, Dudley and Waller had a fantastic day at The Black Country Living Museum'. From delving in to pitch black mines, to gobbling sweets which made your eyes squint, everyone got stuck into the experiences within the day and learnt a lot.

Waller Class

We have had so many highlights this week- what an exciting time. Everyone enjoyed the Black Country Living Museum - we learned so much about life in Victorian times. Practising for athletics was great fun too and in maths we have tried to cool down by thinking about negative numbers. Lastly, Year 5 are now expert 'bridge builders' and are looking forward to next week when they will be at Kingswood.

Wise Class

In Wise Class this week, we have been preparing for our residential trip to Kingswood by looking at the similarities and differences of that location compared to Leek Wootton. We also had a wonderful day building paper bridges and playing rounders and netball with the Year 5/6 children from Burton Green. A great day was had by all and relationships were deepened further.

School Uniform: Getting Ready for September

We have a fully stocked uniform cupboard. We would appreciate it if you would place your order as soon as you are able to.
