

This Week's News

It is now a week since we returned safely, and with a certain air of excitement in the air, from Kingswood. That enthusiasm has continued through the week as the children have continued to recall their experiences.

I was very proud of all of them throughout the week. They were a super group to take away, behaving well, getting on well with each other, making new friends and achieving things beyond their expectations. Well done to each and every one of you. Achievement assembly today begins at 2.30 and includes presentation of the Kingswood certificates.

What a wonderful Ash Class assembly on Wednesday. We were enthralled as the children presented their version of Flotsum through their writing, drama and dance and then shared their topic work on 'The Seaside' with us. Well done, we all went away with a smile on our faces.

A recording of the Year 2/3 African Stomp Music Day held at Burton Green will be shown during our Open Evening on June 30th from 5.30 - 7.00.

We are looking forward to the Oak Class Assembly on Friday 26th June at 9.20.

Class Highlights of the Week

Oak Class

Oak Class are working hard towards their class assembly next week, learning words and songs. We look forward to presenting our work next week on Friday morning.

Reception loved our water exploration afternoon on Wednesday. We made some fabulous water features and water falls.

Next week

Please bring your assembly costume by Monday at the latest. Many thanks.

The children will be going to the woods for the last time on Wednesday 24th. Help would be appreciated.

Ash Class

We are extremely proud of the children's performances in our class assembly this week. They spoke clearly and danced and sang beautifully. Well done! We've been learning about capacity in maths and have been measuring different sized containers using millilitres and litres. We've enjoyed comparing seaside holidays today with seaside day trips in the 1900s.

Dudley Class

Yesterday, Dudley and Waller had a brilliant day building moving toys with a Victorian theme. Using cams, they were able to experiment with various planes of movement and eventually produce working toys.

Waller Class

We thoroughly enjoyed our DT Cams Day. We found out that automata toys were very popular in Victorian times and that they look simple but are very difficult to make! We also learnt that we needed to be careful with how much glue we used.

Wise Class

Wise Class this week have been busy writing about their fantastic week at Kingswood- do keep your eyes open around school and read all about it.

We have also been rehearsing for our end of year production 'Joseph' with great enthusiasm.

Induction Day

9.20 Open Assembly and Coffee and Chat.

Next Wednesday 25th June, most Year 6 children will be spending the day at their secondary school.

Children throughout the school will spend the morning in the class they will be in, in September.

I am sending out letters today to inform parents of children in Reception and Year 3 of the classes their children will be in, in September. Please check bags.

We are inviting the parents of children who join us in September to join us for assembly followed by 'Coffee and Chat'. It would be lovely to see some existing parents at the assembly and for coffee afterwards.
