

This Week's News

This week has had many highlights of completely different sorts. Last Friday Years 3 and 4 enjoyed a wonderful sleepover. They didn't even stir during the thunder and lightning. Many thanks to Mr Horsley and the staff team for organising this event.

End of Year Reports went out this week, I hope that you received your child's. Over the last two weeks I have read what the teachers have written about each of the children and the over-arching view that I have received is what a tremendous amount of effort and hard work has gone in a wide variety of learning opportunities this year, both by children and adults.

Thank you to our children in Years 3 and 4 who have worked so hard on their country dancing. Unfortunately the event at the castle was cancelled outside of our control but I hope you all enjoyed learning the dances. We will showcase them all again at the Summer BBQ tonight.

This has been followed by an incredible end of year, Year 5 and 6 performance of 'Joseph.' The children as a whole, and as individuals never cease to amaze with their range of dramatic and musical talents. So much talent from every child was on display. Once again this was a truly memorable experience. Well done to you all. Many thanks to Mrs Duxbury, our producer and musical director, and to Mrs Reddish and Mrs Kingston.

Staff News

I am sorry to inform you that Mrs Claire Fisher who has been our Teaching Assistant in Early Years for the last five years, will be leaving us at the end of term. She is moving on to work in the Early Years team at St Nicholas Primary School on a part time basis. I would like to thank Claire for the tremendous support she has given to many of the children currently in school during their important foundation years.

Mrs Stephanie Jackson will also be leaving us as she comes to the end of covering Waller on a temporary basis. I would like to thank her for the sterling job she has done over the past 2 terms.

Mrs Kelly Lucking, who has been a Teaching Assistant in Dudley Class will be leaving us to begin her maternity leave with an anticipated happy event in September. Thank you to Kelly for the high level support she has given this year.

End of Key Stage Assessment Results

As we come to the end of term we would like to celebrate the achievements of children in both Year 2 and Year 6.

Each child should feel very proud of what they have achieved. This is the result of their considerable hard work and their high expectations of what they can achieve. The cohort in Key Stage 1 is 20 in Key Stage 2 18.

Assessment

I would like to thank children and parents for their efforts. Congratulations to you all. High achievement is not possible without a dedicated staff throughout the school. I would like to thank my staff for the commitment they continually show to do their best for our children.

Due to Curriculum changes in September 2014 this is the last year that end of Key Stage assessments will be reported in levels since they form no part of this new curriculum.

On your children's reports I'm sure you will have noticed the comment: ...is working at the expected attainment, above or below. This is the new format of assessing progress and has been reported to all parents this year.

Class Highlights of the Week

Oak Class

We had a wonderful day at the seaside on Wednesday. Despite the rain, we paddled and played on the beach. The children enjoyed a variety of fun activities on a seaside and pirate theme. When the ice-cream van arrived at the end of the day, everyone was very excited, including the adults.

Next week

If you can help walking to church on Wednesday that would be great.

Reading books will be collected in on Monday. Please return any extra books.

Please bring in a named plastic bag to take art work home.

Ash Class

Years 1 and 2 began their design technology project yesterday, exploring a variety of hand and finger puppets and were treated to a live puppet performance and sneaky look behind the scenes of Castle Small.

The children are busy designing, sewing and decorating their own hand puppets of fairy tale characters to perform stories in class next week.

Dudley Class

Dudley had their final swimming session on Tuesday - ending with a 'play' session. Everyone has improved greatly in their swimming over the year. The children have done All Saints' proud by showing excellent

behaviour and effort to, during and returning from swimming.

Waller Class

Despite being really busy practising for Joseph and Sports Day, we have been working hard. We are enjoying reading a graphic novel version of The Hobbit, and 'experienced' a trip through Mirkwood Forest which we are now describing, using all our literacy skills. In maths, we have put our estimating skills to the test, finding items that weigh given amounts.

Wise

In Wise class this week we have enjoyed sharing our performance of Joseph with the whole school and our families. The children have been rewarded for all their hard work with rapturous applause for both performances and all should be very proud of themselves.

France 2016

Thank you for returning your deposits so promptly. The visit is now confirmed and I am delighted to tell you that every single person in Years 5 and 6 at both our Green Leek Schools is coming along.
