

This Week's News

As we come to the last day of term I would like to thank you all for the support you have given over the past year, to your own children, groups of children and the whole school. Once again we have enjoyed a super year with children working hard and achieving well. We do appreciate the many and varied ways in which parents, governors and friends of the school help us throughout the year. The progress children have made is a tribute to the partnership of good teaching and home support.

As we say goodbye to Year 6 we wish them well as they move on to many different secondary schools in the area. We also say goodbye to a number of families that have a longstanding relationship with the school - the Allin family, the Evans family, the Knott family, the Lomas family, the Markgraf family, the Maynard family, the Moisa family, the Seager family, the Snow family, the Sohal family and the Sturzaker family. We also say goodbye to the Rahman family who are moving to Qatar and the Calviou family who are off to the U.S.A.. I thank you for your support and friendship over the years. We hope that we continue to see you around school and at some events - you will always be most welcome.

Today we also say goodbye to Mrs Clare Fisher and Mrs Stephanie Jackson who move on to new challenges ahead and to Mrs Kelly Lucking who begins her maternity leave.

We would like to thank you for all of your kind wishes received today.

I wish you all a very happy holiday and look forward to seeing pupils in school again on TUESDAY 8th SEPTEMBER at 8.55.

Class Highlights of the Week

Oak Class

We were very proud of all the children in Oak Class on Sports Day. They all worked very hard and coped well with tricky races, like the relay. Well done everyone.

Ash Class

We worked with learning partners this week to write a poem about the sea using all of our senses and descriptive vocabulary. We've enjoyed preparing for sports day and year 2 had great fun making and programming lego robots.

Dudley Class

To remember and celebrate all the fun Dudley have had this year; using the iPads, they created awesome iMovies which sounded and looked incredible. Well done for a fantastic year. Have a great summer!

Waller Class

We enjoyed finishing off our 'Out of the Box' topic by finding out about the Crimean War, and the Victoria Cross. We have also loved all the excitement of the last week of term, from practising for Sports Day to the Year 5/6 tournament and watching our amazing selves in 'Joseph'.

Wise

In Wise class this week the children have been working on their special memory books and enjoying looking back at their years at All Saints'. They have all worked so hard all year and achieved so much. Good Luck Year 6!
