Dear Parents,

## This week's news

This has certainly been a 'Keep Calm and Carry On' week. Well done to Year 6, who with the support of many culinary delights- Mrs Booth's delicious bacon butties, cakes of every size and types and those little jelly babies who want to say thank you when you put your hand up, have sailed through the week with a spring in their step. Thank you also to Waller who have willingly given up their classroom and have made life easy for us all.

## Class Highlights of the Week:

**Oak Class:** This week in Oak it has been a real pleasure and delight to read some of the Beatrix Potter stories with the children. They have loved her animal sketches and written lots about them.

In maths lots of pizza's and cakes helped us learn about  $1/2$  and  $1/4$ . We also started looking at the coins and discussing their colour, shape and size.

Wanted- any old beanbags, bottles and containers for capacity work next week.

**Ash Class:** The Year 1 and 2 children have made beautiful observational drawings of leaves and other natural forms. They closely examined the objects before drawing every line, shape and detail in pencil and ink. Next we'll create a fabric collage of plants and flowers.

Wanted small pieces / scraps of fabric in different colours, plain and patterns for collage work. Please leave for Mrs Rose early next week.

The Ash Class cake sale will be on Tuesday 24<sup>th</sup> May, after school. ( Please note change of date.

Volunteers needed to help set up and sell please. Contact teachers if you can Help.)

**Dudley Class:** Yesterday was filled with exciting Ancient Egyptian facts. Everyone was 'Walking like an Egyptian' all looking fantastic in the costumes. In the afternoon we showed off our pottery skills to make good luck amulets to bring good fortune and to satisfy 'The Gods'. A brilliant day!

**Waller Class:** This week, Waller have been getting a taste of what Wise classroom is like, as we have been based there. Congratulations to the children for dealing with a lot of changes to their normal routine in a very sensible way.

In maths we have looked at decimal subtraction and negative numbers.

In reading we have been identifying different genres according to their features. We have also been writing instructions on how to make a mummy!

On Thursday, we found out a little more about life in Ancient Egypt when we 'Walked like Egyptians'.

**Wise Class:** In Wise Class this week, we have worked with determination and energy whilst working through our SATs.

The Year 6's have made us all so very proud by the way they have coped with each day and every child should be extremely pleased with all their hard work. It has been a week of cakes, smiles and more cakes- well done all!

## Amazing Maths Group Monday 16<sup>th</sup> May

On Monday we are bringing all of our Green Leek Year 5 children together at Burton Green. They will have a super day of problem solving in mathematics with varied opportunities to apply their skills.

This will give them the opportunity to work together in a larger single age group to share, develop and extend ideas and strategies.

It will also provide an opportunity for all of Year 5 to get to know each other a little better before we all go to France.

## France Meeting Thursday 19<sup>th</sup> May 7.00

We have now begun the final countdown in our arrangements for our residential visit to Normandy in June.

We are holding a final information evening on Thursday which is important for parents and children. This will be at All Saints' so that all parents can be familiar with the departure and arrival point for our visit.

School Photos

Class and group photos were taken last Friday. The children have received photograph samples this week. Please check bags and return orders to school or order online.
