Dear Parents,

This week's news

This week has been busy and one in which the weather has played a major part. Many thanks to everybody who helped with the Pimms stall at the 90th Birthday Celebrations. Funds raised were split between the school and the church and the school raised £170.

Many thanks to everybody who supported the NSPCC. A magnificent £520 was raised.

Congratulations, very well done and a huge thank you goes to Annabelle Gibson this week. Annabelle entered a photography competition and submitted a wonderful photograph featuring not only her grandad, Fletcher and her art and craft caravan but also a rainbow. The composition of the picture is magnificent. Annabelle won first prize in the competition winning a camera for herself and £1,000 for the school. I repeat congratulations, very well done and a huge thank you Annabelle.

We enjoyed a super Green Leek Music Day and an appreciative audience enjoyed our tuned, untuned compositions and our singing performances.

We are now very close to our residential visit. Mrs Duxbury, Mrs Kingston, Mr Rodriguez and I will not be in school next week. Mrs Reddish will be taking Year 4 Waller children and Mrs Batts will be the first point of contact should you need her.

Class Highlights of the Week:

Oak Class: This week in Oak Class we have been very busy preparing for our class assembly. We hope you enjoy it.

Thank you so much for all your help and contributions to the cake sale.

Between the showers we have been out bug hunting and recording what we found.

Wellie Wednesday will be on next week 22nd June.

Wanted- we are making a pet shop in our role play area. Bring in any toy pets or pet carriers (named please)

Ash Class: Our class assembly rehearsals have begun in earnest and the children have been working hard to learn their lines and songs. We look forward to seeing you at 2.30pm on 24th June to share our work on life cycles from this term.

There was a buzz in the room yesterday as children shared favourite stories by Julia Donaldson. We are learning to write book reviews and give detailed opinions.

Dudley Class: We have two highlights for children in Dudley this week. Firstly, years 2 and 3 had a brilliant music day at Burton Green on Monday, where they practised and performed tuned and untuned percussion pieces and singing. On Thursday, years 3 and 4 had their annual 'Day of the African Child' day, this time at St Anthony's School.

Everyone had a lovely day, experiencing art, drumming, sport, dance and story telling workshops. We were also lucky enough to skype our friends in Bo and share our concerns with Chris White MP.

Waller Class: This week has been another, very packed week with lots of things going on. In maths we have been continuing to focus on division, extending written short division to 2 decimal places and applying that to solve word problems involving money.

Year 5 have been continuing to practise for their play and expand their knowledge of D-Day and Mont St Michel.

Year 4, have been involved in 'The Day of the African Child' and have made some 3D contour maps of the River Nile along with writing an Ancient Egyptian Creation myth.

Please note changes to the homework timetable for Year 5.

Wise Class: We have been very busy learning all about Le Mont St Michel in France in preparation for our trip next week. We have also completed our narrative stories set on a beach and are continuing to create our cross-stitch 'pictures' of our school. We have a full and busy day rehearsing for Jungle Book- the children have been brilliant so far learning their lines and songs- well done all!

Many employers have community funds where they support employee volunteers of 'match fund stalls' at these kind of events. Please ask the question, we would appreciate you following it up.
