This week's news

Firstly a huge thank you to staff who have remained at All Saints' whilst we were at Kingswood and looked after all aspects of school organisation and have ensured that everything continued to operate smoothly. We couldn't take children away on residential without those who look after base whilst we are away.

We have enjoyed a super week away with Years 5 and 6 from both our Green Leek Schools. All of the children have faced a wide range of different challenges and have come home feeling rightly proud of what they have achieved. They were a super group to take away and I would like to thank them for their magnificent behaviour which always makes a trip like this easier and more enjoyable. We have received many significant compliments about our behaviour and organisation from a wide range of Kingswood staff.

A huge thank you to all of the staff who made this adventure possible. We couldn't do it without your willingness to go the extra mile even without sleep! We will be awarding Kingswood certificates during the achievement assembly on 30th June.

A big thank you to both Ash and Oak Classes who have shared their learning with us through two amazing class assemblies this week. Hard work, talent and creative learning was on display for all to see!!

Thank you also to Mr Gibson who has installed the new sunshade in the Early Years area this week. A big thank you also to Mr & Mrs Rai who have donated the sunshade.

September Organisation and staffing

On Wednesday some Year 6 pupils will be spending the day at their secondary schools, the children starting school in September 2017 will be joining us and children already in school will be spending the morning in their September classes.

At the end of this term we will sadly be saying goodbye to both Mr Horsley and Mr Rodriguez both of whom are moving on to new challenges. We are all immensely grateful for the contributions both of them have made to life at All Saints' during their time with us.

I am delighted to inform you that we have appointed two experienced and highly regarded teachers to take care of Dudley and Waller classes in September.

Waller's class teacher will be Miss Emily Csepcsanyi. She is an excellent, experienced teacher you joins us from Worcestershire. A highly creative teacher, Miss Sue Scarff will be responsible for Dudley Class. Mrs Tracey Pitt will also be joining us as a Teaching Assistant to provide SEN support

I am very excited about all of these appointments and look forward to welcoming them in September.

The ladies will be joining us on Wednesday.

The rest of our staffing remains as it is for September.

Letters are going out with all Reception and Year 3 children about September Class arrangements tonight.

Class Highlights of the Week:

Oak Class: We hope you enjoyed our pirate class assembly today. The children have all worked very hard in Oak and I was extremely proud of them all as a team.

We have been out and about this week visiting the Sikh Gurdwara and local village gardens. Despite the heat, we have been able to play and work with our sea creatures outside under our new shaded canopy. Thanks to my band of helpers.

Ash Class: The children were filled with excitement and nerves on Wednesday morning as we prepared for our class assembly. Well done to everyone on a super performance! Thank you to parents for your help learning lines and providing costumes.

On Thursday afternoon, we were treated to a special visit from an RNLI volunteer. Jackie talked about the early work of the RNLI and brought modern day lifeguard and lifeboat crew costumes for the children to dress up in. The children were bursting to learn about rescues at sea and asked thoughtful questions. Please ask your children how they should stay safe on the beach.

Dudley Class: This week, Dudley are very lucky to have Charlotta and Francesca in their class. The girls are Italian and will be with us until next week. We have been maximising this opportunity to become language detective comparing some French and Italian vocabulary. Everyone has been working hard to design their menus for their Italian restaurants- 'opening soon'.

Italian Day

Next Friday Dudley will be cooking their own Italian lunch so please do not order a cooked dinner or send in a packed lunch.

Waller Class: This week we have been working hard on our rivers project, ironically looking at how people prepare flood defences but we also look at the consequences of a drought on water supplies.

In maths we have been looking at problem solving, and in literacy we have continued to plan and write our missing chapter from *The Hobbit*; Bilbo's dream about the dragon.

We were also lucky enough to have an afternoon of art with Mrs Rose.

Year 4 wrote evaluations of their Day of the African Child, whilst Year 5 were still buzzing about Kingswood and wrote evaluations of their trip and thank you letters to the group leaders.

Wise Class: In Wise Class this week we began by writing about our wonderful trip to Kingswood. We wrote recounts of our favourite activities and sketched a drawing to illustrate it.

We began thinking about natural selection in science and learning about how changes happen over time with plants and animals.

Rehearsals have begun strongly for 'A Midsummer Night's Dream' and I have asked that the children can be 'ready and script free' for Monday. Well done all, who have clearly been spending a lot of time practising at home - thank you children and parents alike!
